### BLONDE ALE

Thomas Hooker Blonde is our most easily drinkable brew. It's a brilliant gold, clean cream ale with a smooth flavor. Fermented at cooler temperatures, the flavor is accentuated by a subtle malt sweetness and a delicate crispness from American and Czech hops.

Hooker Blonde is our most broadly appealing style - enjoyed equally by the dedicated and the new micro drinker.

## Cooking With Beer!

## Beer Connoisseur

### Dogtoberfest

The origins of Dogtoberfest are shoruded in mystery, but historical experts believe it has everything to do with the life and times of King Ludwig II of Bavaria. To read this strange legend which involves a crazed king, a deranged Oompah band and a pack of Weiner dogs, scroll down to the bottom of the page...

Dogtoberfest is a true Munich Marzen, brewed with five speicalty malts. Our Oktoberfest is deep mahogany in color and full of complex malt aromas. One of the signature notes of this beer is its intriguing caramel finish which is as satisfying as it is unique.

Ideal Drinking Occasion: As your pondering life's answers and your furry friend is chasing his own tail.

## Did You Know?

Paul Domenech, 34, was arrested for drunk driving, but was found innocent of the charge when he proved before a jury in Tampa, Florida, that the alcohol officers had smelled on his breath was from the mixture of rubbing alcohol and gasoline that he had just used in his performance as a professional fire-breather. Don't try using this excuse. Better yet, don't drink and drive.
