## A View from the Summit

### As the Braves Fold...

Kevin Southern - Sandy Springs

Once again, as the leaves turn and Braves fold in the post season, Summits' Tavern will renew our holiday beer dinners. Like last year, we will roll out a tasting in December that pairs exotic cheeses from around the world with different gourmet beers.

Following the traditional decadence of Christmas and New Years and just in time to derail all of those well intentioned resolutions, we will offer a replay of last years Belgians, Barley wines, and bodacious chocolates.

Guests are encouraged to sign up early as spaces are limited and filling quickly. Apparently, Andy has guaranteed that these tastings will be just as much fun as a Minnesota Viking lake cruise with no nosy media or stuffy NFL Commissioner invited.

Seriously though, these events are a wonderful value at \$39.99 (if you act now). Guests will have an opportunity to sample some real rare and eclectic food and drink, as well as spend a fun evening among friends. The beer and cheese dinner will be held on December 12, 13, and 14 at Cumming, Snellville, and Roswell Rd, respectively. The beer and chocolate tasting will be held on January 9, 10, and 11 at each location.

Once again, time is of the essence. Hope to see all you guys (not y'all) there.

## Spotlight on Beer!

### Thomas Hooker OCTOBERFEST LAGER

Originally brewed to celebrate the beginning of the German brewing season and the 1810 wedding of crown prince Ludwig of Bavaria and his bride-to-be, princess Therese of Saxon-Hildburghausen. This amber beer was brewed in March ("Marzenbier") and left to age in cool lagering caves during the heat of the summer. Our rich and satisfying Bavarian-style OctoberFest comes from a special blend of imported German malts that creates a full-bodied brew and stresses a malty flavor and lingering aroma. Gently hopped and delicately balanced, its true-to-style, slow fermentation and long, cold maturation produces a luxuriously smooth, award-winning brew.

## Beer Connoisseur

### Beer Geek- Rogue 15th

Hop Heaven Ale - John Maier picked up a 300 lb. load of fresh Newport hops at the Annen Hop Farm near Mt. Angel. The hops were picked just before he arrived, and were in the kettle at the brewery in Newport by 4:20 pm. These Newport hops are very limited and only 1.5 acres are grown by only one hop grower, John Annen.

## Did You Know?

White wine gets darker as it ages while red wine gets lighter.

It is estimated that the federal government takes in 14 times more in taxes on distilled spirits than producers of the products earn making them. That does not include what states and localities additionally take in taxes on the same products.
