## A View From the Summit...

### The Mother of all Beer Dinners

Kevin, Manager, Sandy Springs

Okay, the holidays are finally over, you finished your Christmas candy, and your in-laws cleared out at last. Hopefully, you attended the beer and chocolate dinner and survived the grueling force march of 17 Belgians and Barleywines. However, don't start that New Years resolution just quite yet.

"Just when you thought you were out... they pull you back in." On Monday February 13, 2006 Summits Tavern will unleash the Mother of All Beer Dinners.

While the menu has not been finalized it will be similar in scope to previous beer dinners, with multiple courses and varieties. However, the beer selection is clearly designed for "shock and awe". The theme is West Coast breweries and

we will be featuring beers from Anchor, Tommy Knocker, Bridgeport, Sierra Nevada, Oskar Blues, and of course our friends from Rogue.

While I'm sure the readers are well versed in offerings from Sierra and Anchor, these other West Coast breweries are bringing their

fair share to the party. Also, attendees can rest assured there will be a surprise or two. The Tommy Knocker, out of Idaho Springs Colorado, takes twist on the more traditional beer styles with Imperial Nut Brown and Maple Brown Ales.

Oskar Blues, relatively new to the craft beer scene, is famous for their beer cans. Catering to outdoors-

## "Shock & Awe" (continued...)

man with a taste for beer, they can a nice, hoppy Dale's Pale Ale and also a malty Old Chub Scottish Ale. The cans make for lighter packing, no breaks, and a quick cleanup.

Finally, one of the most underrated breweries in the Pacific Northwest, is the Bridgeport Brewery. Well known in Portland for their outstanding IPA, they are also one of the few American breweries left that is dedicated to making real cask ale.

No rest for the weary, fresh horses for the men, miles to go before I sleep, we must push on.

## Spotlight on Beer!

### Tetley's

After nearly two centuries of perfecting the brewing process, the name Tetley's is synonymous with a smooth, perfect pint. Famous for its smooth taste and creamy head, the secret of Tetley's success lies in using only the finest ingredients brought together with consummate brewing art.

An export strength beer brewed specifically for countries outside the UK. It has the same smooth and creamy characteristics as Tetley's Smoothflow and incorporates a full drinking flavour. It is well balanced with a complex range of malty and hoppy notes, enhanced by a fruity aroma. Like Tetley's Smoothflow, it is served at 8°C to give extra refreshment.

## Cooking With Beer

### Maria's Pasta and Eggplant in Beer

#### Ingredients

- 1/2 cup olive oil
- 1 medium eggplant, about 1 pound, peeled and diced
- Salt and pepper
- 6 ounces smoked ham, cubed
- 1 cup lager
- 1 teaspoon chopped fresh rosemary or 1/2 teaspoon dried
- 1 cup fresh or frozen peas
- 1 pound large tubular pasta such as penne cooked according to the directions on the package
- Freshly grated Parmesan cheese

#### Instructions

In a large skillet heat the olive oil over medium heat. Put in the egg plant, and season with salt and pepper. Cook, stirring, for about 10 minutes, until it becomes soft. Stir in the ham, and fry 2 minutes. Add the lager and rosemary, and bring to a boil. Reduce the liquid by half. Put in the peas, reduce to a simmer, cover, and cook for 2 minutes. Stir the cooked pasta into the sauce, and cook for 30 seconds to heat through. Transfer to a serving bowl, sprinkle with plenty of Parmesan cheese, and serve.

Yield: 4-6 servings

## Beer Connoisseur

### Horn Dog

The horn dog is by far the biggest dog in the yard. Infamous for his quick temper, Horn Dog likes nothing better than an unfair fight. This is definitely someone you want on your side when things get ugly.

Horn Dog is dark and malty beer that is aged for a minimum of three months before it is packaged. Like a fine wine, as long as it is kept at cellar temperature, this beer only gets better with age.

Sixty-two percent of Americans report that they have used the service of a designated driver.

The founder of MADD (Mothers Against Drunk Driving) no longer belongs to the organization. She resigned after it became increasingly anti-alcohol rather than simply anti-drunk-driving.
