Habitat for Humanity - a Summits Tradition

Summits Wayside Tavern, through your donations, gives Habitat For Humanity thousands of dollars every year. When you join our Passport Club, your \$2 donation goes to Habitat for Humanity. Habitat for Humanity is one of our favorite organizations because it helps so many people all over the world.

If you are interested in further helping Habitat, please call the number at the end of this article. They could always use another set of helping hands!

What is Habitat for Humanity International?

Habitat for Humanity International is a nonprofit, ecumenical Christian housing ministry. HFHI seeks to eliminate poverty housing and homelessness from the world, and to make decent shelter a matter of conscience and action.

Habitat invites people of all backgrounds, races and religions to build houses together in partnership with families in need. Habitat has built more than 175,000 houses around the world, providing more

than 750,000 people in more than 3,000 communities with safe, decent, affordable shelter. HFHI was founded in 1976 by Millard Fuller along with his wife Linda.

How does it work?

Through volunteer labor and donations of money and materials, Habitat builds and rehabilitates simple, decent houses with the help of the homeowner (partner) families. Habitat houses are sold to partner families at no profit, financed with affordable, no-interest loans. The homeowners' monthly mortgage payments are used to build still more Habitat houses.

What does a Habitat house cost?

Throughout the world, the cost of houses varies from as little as \$800 in some developing countries to an average of \$46,600 in the United States.

Habitat houses are affordable for low-income families because there is no profit included in the sale price and no interest charged on the mortgage. Mortgage length varies from seven to 30 years.

What are Habitat affiliates?

affiliates -- independent, locally run, nonprofit organizations. Each affiliate coordinates all aspects of Habitat home building in its local area -- fund raising, building site selection, partner family selection and support, house construction and mortgage servicing.

How are partner families selected?

Families in need of decent shelter apply to local Habitat affiliates. The affiliate's family selection committee chooses homeowners based on their level of need, their willingness to become partners in the program and their ability to repay the no-interest loan. Every affiliate follows a nondiscriminatory policy of family selection. Neither race nor religion is a factor in choosing the families who receive Habitat houses.

If your family, or a family you know, is in need of decent, affordable housing, contact the Habitat affiliate nearest you. If you're not sure where a local Habitat

affiliate might be, use our search engine to find the names and phone numbers of affiliates in your area, or contact the Habitat help line at (800)422-4828, ext. 2551 or 2552. Your local affiliate can give you information on the availability, size, costs and sweat-equity requirements for Habitat houses in your area, as well as information on the application process.

How can I become a volunteer?

To volunteer where you live, use our website to find contact information for your local affiliate. .

Beer Spotlight

Bar Harbor Blueberry Ale

A light fruit ale, made with Maine wild blueberries. As opposed to many of the sweeter fruit beers on the market, our addition of fresh Maine wild blueberries in this light ale yields a subtle blueberry aroma, without the sweet aftertaste.

A mixture of the following Mutton malts, pale, crystal, and Munich, are combined with wheat to give this ale its lighter body, and we only use minimal amounts of Target and Willamette hops.

- 1/2 tsp. paprika
- 1/2 tsp. dry mustard
- 1 (12 oz.) can of beer
- 1 c. chicken broth
- 1 lb. grated Cheddar Cheese
- 1 C. heavy cream (evaporated mild will do in a pinch)
- 1/4 tsp. Tabasco
- Popcorn for garnish

Directions:

Saute carrots and onions in butter. Stir in flour, cook on low heat 3-4 minutes, but don't brown. Stir in paprika, mustard, beer, and chicken broth. Use wire whisk until smooth. Beer Geek

Saison Dupont. It comes from an artisanal brewery that is also a working farm (eggs are sold in the 'executive' offices!) and produces beers with exquisitely hand-made character, and unruly clumpy yeast. When Saison Dupont first arrived in this country, we had to do quite a bit of explaining about the look of the beer. The brewery has cultured their yeast for taste and aromatic qualities. Because Dupont basically only sells beer from the brewery, they haven't concerned themselves with developing a yeast that travels well. For the uninitiated, the look of the beer is daunting. However, the sweetest rewards await the adventurous.

Saison Dupont is a delight to the taste buds. Snappy, yeasty, with a clean, bright quality. The Dupont brewery is run by Marc Rosier (brewer) and his sister (microbiologist). They also operate the farm, and are interested in sustainable agriculture.

The Passport Club

Take a trip around the world with 100 different draft beers from our extensive draft list and you'll receive a personalized 20 oz. dimpled mug from Summits Wayside Taverns®. There is a \$2.00 registration fee, but 100% of that is donated to Habitat for Humanity. Isn't that reason enough to join? The Passport Club works like this:

1. Tell your server you'd like to join the Passport Club.
2. Fill out the form found in the beer lists at your table.
3. Fork over the two bucks and order a draft.

That's it! Your server will provide your own draft menu on which we'll keep a record of your beer journey. Each time you stop in, just ask for your passport list.

Already got your mug? Try for Passport Club Tier II! This time you get to tour our bottled beers.

Did You Know?

In the U.S., a barrel of beer contains 31 gallons, which is equivalent to about 330 twelve-ounce bottles or cans. Bubbles in Champagne were seen by early wine makers as a highly undesirable defect to be prevented.

Liquor stores in the US are called "package stores" and sell "package goods" because of laws requiring that alcohol containers be concealed in public by being placed in paper bags or "packages."
