## A View from the Summit

### I Was Judas

by John Gagne

My Mom will probably "ring my neck" if she reads this factual excerpt, of which came from my childhood that featured many curious experiences. To this day my Mom has a hard time admitting that I am her son after the following story has been told which has been told by many and not by me.

I grew up as a Catholic. At a very young age my best friends all shared the same values that I did being Catholic and all. However, I was a little different from them because I loved to let my imagination run wild (to the extreme), especially when I was alone. During certain times I was encouraged to play out my imaginative initiatives because I would learn and be a better person. My only problem was that I sometimes would not set a limit to my "playing".

It was a beautiful spring day in Massachusetts; it was Good Friday. I was about 10 years old I think. My challenge at hand was to play out (in some way) Jesus' last hours by myself, alone, with no one else invited to play. I wanted to learn and be a better person from this. Getting close to 3:00 PM, I realized that I had to figure out something pretty quickly because the end of the day was almost here.

I found a rope and in a playful (...continued on page 2)

## "I Was Judas" (cont. from page 1)

manner managed to come up with a pretty sophisticated noose of which I fastened around my neck. I just played for a little until I decided that it was no fun just having it around my neck. So I decided to safely tie the other end of the noose to the garage door handle of which was on the ground at the time. Mom walked in (thank God from the inside of the house) and the rest is history.

## ROGUE 15!!!

Rogue 15th-ALTBIER

Join us Saturday, July 15th for a special Rogue Brew!

Served only on the 15th!

Ales have been brewed in Germany for 3,000 years and ALT is the ale that has long defined Dusseldorf. Alt means "old bier" and describes an ale dermented cold with ale yeast, then aged near the freezing point. This ALT is brownish amber in color, medium-bodied with a firm malt character, and backed with High Hop bitterness.

## Beer Spotlight

### Red Brick Summer Brew

Red Brick Summer Brew is a traditional Hefeweizen style beer. We use traditional Hefeweizen yeast that imparts the beautiful flava and aroma, reminiscent of summer itself. Unfiltered to keep the unique character of the yeast intact. Golden and nearly opaque, this classic summer beer is beautiful in a tall slender glass. Garnish with a slice of lemon or orange on the rim of your glass.

## Community Boards!

Got some news that you want to share with everyone? Don't be shy, brag on your children and bring us pictures of your pets too! Let all of us know what is going on in your life through our community boards! Each Summits location has a "brag" board. You can use it to sell your '68 Mustang, or rent your house. Even better is to share the birth of your grandchild and your son being accepted to UGA! Leave business cards too!

## Cooking With Beer

### Beer Bread

#### Ingredients

- 4 cups flour
- 1/4 cup sugar
- 2 tablespoons baking powder
- 12 ounces beer (NOT light beer)
- 2 teaspoons salt
- 2 eggs, slightly beaten

Mix flour, baking powder, and salt with sugar. Add beer and egg both at once and stir. You may have to knead last of flour in with hands. Place in greased 9-inch by 5-inch loaf pan and bake at 375 degrees until done - about 1 hour and 10 minutes. Remove from pan immediately and cool.

## Beer Geek

### SMALL CRAFT WARNING UBER PILS

ABV: approx. 7.5%

Malts: German Pils and Carapils

Hops: Amarillo, Saaz, Hersbrucker and Tettnang

We call this beer an Uber Pils - a pilsner style bock lager. Rich, malty, and well rounded but with a firm structure of noble hops. Surprisingly pale in color for such a powerful, complex beer.

## Did You Know?

The U.S. Marines' first recruiting station was in a bar.

Only 30% of adults in the U.S. believe that drinking can form part of a healthy, balanced life. This is in spite of the fact that moderate drinking is associated with better health and greater longevity than is abstinence.

Bourbon is the official spirit of the United States, by act of Congress.

## Quote of the Week

*"I made a commitment to completely cut out drinking and anything that might hamper me from getting my mind and body together. And the floodgates of goodness have opened upon me-spiritually and financially."*
