This month at the Summit....

Randall, who? Thanks to Dogfish Head Brewery in Milton, Delaware we will begin to introduce "Randall" into our stores very soon! A "Randall" is a A three-foot-long, cylinder-filter packed with a half a pound of whole leafhops that is affixed to a beer line leading out of a keg. As the beer is poured it flows through the "Randall" thus filtering the beer through a type of fresh hops before serving. In essence, "dry hopping" the beer to enhance and change the flavor. All three Summits Taverns will make Mondays "Randall Mondays". We will "Randall-ize" a different beer each week. Our thanks go out to Dogfish Head for sharing the Randalls with us and for the inspiration! Keep reading your e-zine for details when this will begin.

Summits University: We will continue to host Summits University Beer Tastings during the second week of each month. During these beer tastings you will receive tastes of many new and exciting products, and will be served dinner, as well! At \$10.99 per person this is the best deal in town! Reserve your place ahead of time for the discounted price.... the night of the event all seats will be \$15.99. August dates are below:

Monday, August 14th	Cumming	7:00 pm
Tuesday, August 15th	Snellville	7:00 pm
Wednesday, August 16th	Sandy Springs	7:00 pm

Beer Spotlight

Oxford Hefeweizen

Made unfiltered and slightly cloudy, in the Bavarian style, with a special yeast yielding aromas of apple and spice. Wheat beers are enjoying growing popularity, and are especially good in the hot summer months, sometimes served with a wedge of lemon.

Terrapin All-American Imperial Pilsner

Help us celebrate American Independence and American Beer Month in July with the release of the Terrapin All-American Imperial Pilsner.

This beer was brewed using only American malts, American hops, and American yeast. Who says you have to import ingredients from Germany to make a true Pilsner?

Of course, this Pilsner is made "Terrapin Style". Hence the 75 B.U.'s, the 7.5% alcohol and the term "IMPERIAL Pilsner".

Cooking With Beer

Braised Lamb Shanks with Sour Cream and Capers

from The New Doubleday Cookbook by Jean Anderson & Elaine Hanna (Doubleday)

This recipe may be cooked on top of the stove or in the oven. Sour cream and capers are added to braised lamb shanks for a piquant, smooth sauce.

INGREDIENTS:

- * 2 lamb shanks, each cracked into 3 pieces
- * 2 Tbsp meat drippings or cooking oil
- * 3/4 tsp salt
- * 1/2 cup liquid (water, dry white or red wine, beer, cider, or beef consomme)
- * 1 bay leaf and 1 sprig each of parsley and thyme, tied in cheesecloth (bouquet garni)
- * 1/2 cup sour cream
- * 2 Tbsp capers

PREPARATION:

Brown lamb shanks well in drippings in a heavy kettle over moderate heat; pour off drippings, add remaining salt liquid, and bouquet garni. Cover and simmer about 1-1/2 hours, turning lamb shanks once or twice, until tender. Or cover and bake about 1-1/2 hours at 325 degrees F.

Lift lamb shanks to a deep platter. Skim fat from broth, mix in sour cream and capers. Spoon a little sauce over lamb shanks and pass the rest.

Yield: 2 servings
