Wii @ Snellville

Our Snellville location now features Wii every Mon., Tues. and Thurs. night from 6 p.m.– 2 a.m.

Wii is the revolutionary video game by Nintendo. Instead of using a bulky complicated controller, you use a controller that houses amazing motion sensing devices that allow you to actually feel like you are in the game. You stand up and swing the bat to hit the ball or actually feel as if you are picking up a bowling ball and rolling down the alley. It requires no experience to learn how to play. All you need is your body.

So what are you waiting for? Come on down to Summits Wayside Tavern and grab a drink, eat a great meal, and enjoy the thrill of playing the Wii all in one place. We hope to see you soon!

A "Randall" is a filtering device that allows beer poured fresh from the tap to filter and steep through fresh whole leaf hops. The result is a super hop charged brew! The process is called "dry hopping" and you'll have the chance to experience a different dry-hopped beer every Monday. (*Randalls will begin at Woodstock in a few weeks.... We're anxiously awaiting our new Randall!*)

Cooking with Beer Tips and Hints

Belgium is famous for its Carbonnade à la Flamande, a thick stew of beer, bacon, onions, and brown sugar. Many home cooks prefer their shellfish and hot dogs steamed in beer.

Beer also has wonderful tenderizing properties, making it an excellent choice for a marinade for tougher cuts of meat. Baked goods using beer have a more moist texture and a longer shelf life.

Used in a glaze or baste, beer adds wonderful flavor to poultry and ham. In batter coatings for fried foods, the yeast in the beer acts as a mild leavening agent, causing the batter to puff up, as well as adding a distinctive enhancing flavor.

Beer Geek

The first consumer protection law ever written was enacted over beer by Duke Wilhelm IV of Bavaria in 1516. It was a purity law limiting the ingredients of beer to barley, hops and water.

Tegestology is what collecting beer mats is called.

Beer is the second most popular beverage in the world, coming in behind tea.

Pabst Beer is now called Pabst Blue Ribbon beer because it was the first beer to win a blue ribbon at the Chicago World's Fair in 1893.

There is a \$2.00 registration fee, but 100% of that is donated to Habitat for Humanity. Isn't that reason enough to join? The Passport Club works like this:

1. Tell your server you'd like to join the Passport Club.
 2. Your server will bring you a form to fill out and your own personal beer list. The beer list stays at Summits for your convenience.
 3. Fork over the two bucks and order a draft.
- That's it! Your server will provide your own draft menu on which we'll keep a record of your beer journey. Each time you stop in, just ask for your passport list.

Did You Know?

Great Britain was the first country to issue postage stamps. Hence, the postage stamps of Britain are the only stamps in the world not to bear the name of the country of origin. However, every stamp carries a relief image or a silhouette of the monarch's head instead.
