Bourbon Cooking Tips and Hints

Bourbon should lend a very faint flavor of caramel, vanilla, charcoal, and a very light taste of wood to your recipes. These flavors work well in both savory and sweet dishes as you'll see from the variety of the bourbon recipes.

Alcohol has a lower freezing point than water, so you may wish to think twice about adding a little extra kick of alcohol to frozen desserts because they may not freeze properly.

Beer Spotlight

Terrapin Imperial Pilsner

Athens, Georgia

Help us celebrate American Independence and American Beer Month in July with the release of the Terrapin All-American Imperial Pilsner. This beer was brewed using only American malts, American hops, and American yeast. Who

says you have to import ingredients from Germany to make a true Pilsner? Of course, this Pilsner is made "Terrapin Style". Hence the 75 B.U.'s, the 7.5% alcohol

Where Are YOU?????

Send us a photo taken of yourself traipsing across some distant soil wearing your favorite Summit wear. If chosen, your photo will be published in our weekly newsletter

and you will receive \$20 in Condors! So, put on your best smile for Summits! All articles submitted become property of Summits Wayside Tavern.

Did You Know?

Q: Before he went into business with the McDonald brothers of San Bernardino, California, in 1954, did McDonalds' franchise founder Ray Kroc sell: (a) little packets of ketchup; (b) milkshake machines; or (c) clown suits?

A: He sold machines that made six milkshakes at a time. When the McDonalds bought eight of them, Kroc became intensely interested in their burger business.

"All great deeds and all great thoughts have a ridiculous beginning. Great works are often born on a street corner or in a restaurant's revolving door." -- Albert Camus
