## What's Up At the Summit?

### Greatness in our presence?!

Summits is really proud of one of our young friends, Rileigh Halhofer! Recently 10 year Rileigh Halhofer of Acworth visited the WXIA/WATL studios to watch a newscast. The fourth grader at Oak Grove Elementary is very interested in becoming the news anchor of the future and she is off to a good start.

### Rileigh in the Weather Center

Rileigh is one of three 4th graders who co-anchor together every school day on the morning TV news. She does announcements of school events as well as the, "The riddle of the day." When asked to write a blog on her experience this is what she wrote: Mr. Ossmann, Thank you for being so nice and funny. I had a great time watching the live news broadcast at 11Alive. What a cool job you guys have. From the time we arrived, the front office person was very nice. We then took a tour and I was amazed about all of the technical stuff and only like seven people controlled everything going on there. Everybody was so nice. Mrs. Brenda Wood and Mr. Ted Hall were very nice to me. Thumbs up to Mary Fiorella (Atlanta and Company) for giving me this chance to visit. It was fun and I hope I could visit again. Sincerely, Rileigh Halhofer"

In addition to doing the morning news at Oak Grove Rileigh is involved in the following:

- Honor Roll/Accelerated academic program
- Safety Patrol
- Ecology club
- Recycling club
- Perfect attendance

And probably her biggest (and most fun) passion is that she has played softball since she was 5 years old. And is now playing her second season at second base for the Sandy Plains Fire 10 and under fast pitch softball team.

## Give the Gift of Life!

### The Gift of Life!

We want to help draw attention to the Gift Of Life. The gift that will cost you nothing and will literally give life back ! You have the power to donate life!

### *Make & Share your decision.*

It's the time of year we get together with friends and family – Thanksgiving and the holidays. Take a moment of this precious time and let you family know your wishes regarding organ and tissue donation. In Georgia, over 2600 potential recipients are on the waiting list for organs

### *How to become an organ donor:*

As a resident of Georgia, you should take the following steps to ensure your decision to become a donor is carried out: Indicate your wishes on your driver's license or state ID when you apply for or renew it.

Sign up on the Georgia Organ Donor Registry by signing and returning a donor card to Donate Life Georgia (1-866-57-SHARE).

### **FACTS:**

Fact: Anyone can be a poten-

tial donor regardless of age, race, or medical history.

Fact: All major religions in the United States support organ, eye and tissue donation and see it as the final act of love and generosity toward others.

Fact: If you are sick or injured and admitted to the hospital, the number one priority is to save your life. Organ, eye and tissue donation can only be considered after you are deceased.

Fact: When you are on the waiting list for an organ, what really counts is the severity of your illness, time spent waiting, blood type, and other important medical information, not your financial or celebrity status.

Fact: There is no cost to the donor or their family for organ or tissue donation.

Smooth, roasty and inviting this London style porter is a favorite among dark beer fans. Blackhook is characterized by its coffee and chocolate notes and by its unbelievably smooth finish. Blackhook is unpasteurized and naturally carbonated. This beer has been brewed since 1983.

## Beer Geek

During the European Middle Ages and the Renaissance, beer was often a nutritional necessity and was sometimes used in a medicinal setting. It could be flavored with almost anything, from the bark of fir trees to fresh eggs and thyme. Everyone drank beer, including children.
