## New Belgium Brewing now at Summits!

### Fat Tire, Mothership Wit and 1554 Enlightened Black Ale

#### "Hey, do y'all have Fat Tire?"

If you ask any one of our employees at any given time they will tell you that this has been one of our most frequently asked questions. Like so many things in our lives the New Belgium beers have been out of our reach here in Georgia for a long time.

Everyone who knows beer knows about them. Everyone has tried a sip of one from a traveling neighbor or co-worker who schlepped bottles back from a place lucky enough to be able to sell it. Everyone has wondered "when will it be available here?"

#### Here is the moment of truth:

**New Belgium Brewing is available in our market!**

Fat Tire Amber Ale, Mothership Wit Organic Wheat, 1554 Enlightened Black Ale will be available in 22 oz bottles soon!

New Belgium Brewing is a unique company with a set of core values and beliefs that we felt worthy of mentioning. So head to Summits to taste these much anticipated beers. We think you'll agree that they have been worth the wait!

## Beer Geek

Per drink (of equivalent alcohol content), beer contains more than twice as many antioxidants as white wine, although only half the amount of red wine. However, many of the antioxidants in red wine are large molecules and may be less readily absorbed by the body than smaller molecules found in beer.

## Beer Spotlight

### Czechvar Pilsner

(Czech Republic)

A delicious, slightly sweet taste, with pleasant hop aroma and fine bitterness

traditionally crafted in the Czech Republic.

Czechvar is brewed over a 90-day lagering period using only top-quality Czech ingredients, including Saaz hops, Moravian malt and soft Artesian well water. Czechvar is traditionally crafted at the BBNP brewery in Ceske Budejovice, Czech Republic, for export to the United States by Anheuser-Busch.

## Cooking With Beer!

Looking for a good book about cooking with beer?

### Real Beer and Good Eats

Bruce Aidells and Denis Kelly

Sausage maker Aidells and food writer Kelly team up in their second book together, taking an historic look at beer in America.

I am reminded of the commercial in which football players chant "Eat football, live football, drink Coca-Cola!" This is a tome for total immersion into beer as a way of life with chapters on Early America, the Lager Revolution, Old-Time Saloons, and sections tackling beer by US region, this book is a detailed, illustrated account of beer and beer lore in this nation.

The 175 recipes supplement each chapter accordingly. While it is indeed thorough on the overall topic of beer, and it does contain a chapter on cooking with beer. It's great for those who like an entertaining read.

## Food Spotlight

### Georgia's Best Reuben

A traditional Reuben sandwich made with State National corned beef brisket that we make in house- the very same corned beef used in the famous New York delis! This one uses almost 3/4 pound of homemade corned beef that is shaved to order and is topped with melted imported Swiss cheese, sauerkraut and authentic Russian dressing on fresh rye bread. Served with french fries and a pickle. A must try!

## Did You Know?

Winston Churchill was a stutterer. As a child, one of his teachers warned, "Because of his stuttering he should be discouraged from following in his father's political footsteps."

## Quote of the Week

"One of the hallmarks of the baby boomer generation is that it doesn't live like the previous generation. It hasn't yet given up jeans and T-shirts or beer."

-Ron Klugman, SVP, Coors Brewing
