## CALIFORNIA

**AleSmith Broken Filter IPA** (San Diego) abv 6.5% IBU 20 \$7.99  
*Hops: U.S., Germany, Australia* “What’s with the haze craze? We understand...unfiltered IPAs can be delicious, so we teamed up with our friends at Beachwood BBQ Brewery in Long Beach to make this brew. Together, we created our take on a style that showcases juicy, tropical hop varietals from the US, Germany, and Australia, balanced by a light malt profile and creamy mouthfeel. The result is a nicely hazy and intensely drinkable IPA”

**Alpine Nelson IPA** (Alpine) abv 7.0% IBU 40 Rate Beer: 100 \$7.99  
*Hops: Nelson Sauvin* “Named after Nelson Sauvin, an outstanding hop varietal from New Zealand. The hop is introduced through the brewing and dry hopping of this complex and well balanced IPA. A hazy straw hued ale, Nelson is topped by bright white beer foam and offers a tropical hop aroma. The pine and fruity hop notes linger, but are well balanced by the smooth malty addition of European rye malts.”

**Ballast Point Sculpin** (San Diego) abv 7.0% IBU 70 Rate Beer: 100 \$7.99  
*Hops: Simcoe, Amarillo* “The Sculpin IPA is a testament to our humble beginnings as Home Brew Mart. It showcases bright flavors and aromas of apricot, peach, mango & lemon. The lighter body also brings out the crispness of the hops. The Sculpin fish has poisonous spikes on its fins that can give a strong sting. Ironically, the meat from a Sculpin fish is considered some of the tastiest. Something that has a sting but tastes great; sounds like a Ballast Point India Pale Ale.”

**Mother Earth Boo Koo IPA** (Vista) abv 6.5% IBU 57.5 Rate Beer: 97 \$7.99  
*Hops: Warrior, El Dorado, Mosaic, Simcoe, Mt Hood* “Bursting with flavor and aroma, finished dry, and most importantly hop-forward. This beer is teeming with fruit and pine notes, and its light gold to blonde color make it drink like a session beer”.

Some beers need a little polishing to get ready to go out into the world, while others—the hop-heavy, rowdy, crowd-pleasers—should just be left alone. We wanted to share this brewery-only treat with you, so we present this Hazy Little Thing, our unfiltered, unprocessed IPA, straight from the tanks and into the can.”
